Sir,

I have the honor to submit the accompanying statement showing the amounts required by each dispensary in the Kadur district to provide articles of furniture which are required and which cannot well wait for another year and to request the favour of some measures being adopted to provide the money for their purchase.

The Deputy Commissioner Kadur district states in his No 1064 of 9th instant (a copy herewith enclosed) that no provision could be made according to the Estimates forwarded to him with this Office No. 436 dated 26th ultimo as the Budget for 1893-94 has been already submitted to Government.

The sum of Rs 158/- required by the Deputy Commissioner is inadequate for the purpose.
